- 2- You will be asked to select your country of residence:
 - a. **select FRANCE** as you need a left-hand drive manual
 - b. **select CONFIRM**
- 3- In the next screen:
 - a. **tick the box** "I have read and accept the General terms and conditions of use"
 - b. **select CONFIRM**
- 4- The "Add a Vehicle" screen will appear. Then:
 - a. **select your vehicle**
- 5- Next screen:
 - o insert your vehicle registration number only if you have collected your vehicle – it is optional
 - o if there are multiple date ranges to choose from, select the most recent
 - o **select CONFIRM**
- 6- Your vehicle manual will take a couple of minutes to download.
- 7- Once the download is complete, **select VIEW** to open. Or, if you wish to open at a later date, simply click on the App icon.

App benefits

- Free, intuitive and easily accessible on your smartphone or device
- Use the device's camera to scan the item on your vehicle you want to use and visual recognition directs you to the relevant place within the manual.
- Have a warning message on your display panel near the indicator lights? Scan and be provided with additional information as to the nature of the problem being reported.

Note: Depending on the exact model you have booked, some features detailed in the vehicle manual may not be available to you. Please use the information as it is intended, which is to assist you in the operation of the vehicle you have booked.
